Forecast for Thursday 27 Jul 2023

Weather: A lot of cloud through the day with rain in the morning. Rain becoming light and patchy in the afternoon although the odd heavier shower may break out for a short time.

Chance of cloud-free hill tops above 800m: 30%, best chance around Lochnagar in the morning

Low Cloud and visibility: Poor visibility in extensive low cloud down to 600 to 900 metres throughout, although as low as 300 metres across the Angus and Perthshire hills. Upper Deeside may be afforded some shelter in the morning. Cloud lifting and breaking from late afternoon across the south of the area.
